REMARKABLE CURE FOR RHEUMATISM.

Kenna, Jackson Co. W. Va.

About three-years ago my wife had an attack of rheumatism which confined her to bed for over a month and rendered her unable to walk a step without assistance, her limbs being swollen to double their normal size. Mr. S. Maddox insisted on my using Chamberlain's Pain Balm. I purchased a fifty cent bottle and used it according to the directions and the next morning she walked to breakfast without assistance in any manner, and she has not had a similar attack since. A. Common Sense

Teaches any one

That the merchant who sells for CASH, and turns his money over often, can afford to sell goods at a very much lower price than one who sells on credit, and necessarily makes the good customers pay the loss on the other fellow.
